

Mobile TV Stand with Mount and Shelf

This mobile TV stand is designed to support a wide range of TVs. It features a robust construction with dual vertical supports, a central shelf for AV equipment, and a mobile base with caster wheels for easy maneuverability.

Product Overview

Professional Mobile Display Solution

This robust mobile TV stand provides a versatile and secure mounting solution for flat panel televisions ranging from 32 to 65 inches. Engineered with a heavy-duty SPCC steel frame and a convenient central equipment shelf, it offers both stability and functionality for commercial or home environments. The integrated caster wheels and adjustable mounting features ensure seamless maneuverability and optimal viewing angles for any professional setting.
