

Modern Dome Pendant Light

This pendant light features a polished metal dome shade. It is suspended by a black cable and includes a matching ceiling canopy.

Product Overview

Modern Minimalist Design

This modern dome pendant light features a sleek, single-bulb design with a polished metal shade, making it an ideal choice for contemporary interior spaces. The fixture is equipped with a matching ceiling canopy and a durable black suspension cable for a clean, professional installation. Its reflective interior surface is specifically designed to enhance light output, providing both functional illumination and a sophisticated aesthetic.
