

Modern Sphere Shade Floor Lamp

This modern floor lamp features a spherical white glass shade and a slim, dark metal stem. It has a cylindrical wooden base and uses an E14 1x40W bulb.

Product Overview

Modern Sphere Shade Floor Lamp

This modern floor lamp features a sleek, minimalist design with a spherical white glass shade, making it an ideal lighting solution for hospitality, hotel, and residential projects. The lamp is supported by a slim, dark metal stem and anchored by a sturdy cylindrical wooden base, offering both stability and aesthetic appeal. Designed for versatility, this fixture provides soft, ambient illumination suitable for various interior settings.

Application Focus	Hospitality, Hotel, Commercial Projects
