

Motorcycle Aluminum Luggage Set with LED Top Case

This motorcycle luggage set is constructed from durable aluminum. It includes a 45L top case equipped with LED lighting and 39L side panniers for secure storage.

Product Overview

Premium Motorcycle Aluminum Luggage System

This professional-grade aluminum luggage set is engineered for touring, adventure, and scooter applications. Featuring a robust 2mm aviation-grade aluminum construction, the system offers superior durability compared to standard aftermarket options. The top case includes a unique integrated LED water-style turn signal system for enhanced visibility and safety on the road.
