

Motorcycle Aluminum Top Case and Side Panniers with LED

Motorcycle aluminum box set including a 45L LED top case and 39L side panniers. The top case includes an LED light.

Product Overview

Premium Adventure Touring Storage

This high-durability motorcycle luggage system features 2mm aviation-grade aluminum construction, offering superior strength compared to standard 1mm or 1.5mm alternatives. The system includes a 45L top case equipped with integrated water-design LED winkers and 39L side panniers designed for heavy-duty touring. With universal mounting options, these boxes are compatible with a wide range of adventure, touring, and scooter models.
