

# Motorcycle Aluminum Top Case and Side Panniers with LED

This motorcycle aluminum box set includes a 45L top case and 39L side panniers. The top case features integrated LED lighting for enhanced visibility.

## Product Overview

### Premium Aluminum Travel Luggage

This high-capacity motorcycle aluminum storage system is engineered for durability and long-distance touring. Constructed from 2mm thick aviation-grade aluminum, the boxes offer superior robustness compared to standard industry alternatives. The top case features an innovative integrated water-design LED turn signal, providing enhanced safety and a luxury aesthetic for adventure motorcycles and scooters.
