

Motorcycle Aluminum Top Case and Side Panniers with LED Lighting

This motorcycle luggage set includes a 45L top case with LED lighting and 39L side panniers. The cases are made from 2mm-thick aluminum for durability.

Product Overview

Premium Aluminum Adventure Luggage System

This high-durability luggage set features a 45L top case and 39L side panniers constructed from premium 2mm thick aviation-grade aluminum. Designed for adventure and touring motorcycles, the top case includes a unique integrated water-turn LED lighting system for enhanced visibility. The system features universal mounting compatibility to accommodate a wide variety of popular touring, adventure, and scooter models.
