

Motorcycle Aluminum Top Case and Side Panniers with LED Lighting

This motorcycle luggage set includes a durable aluminum 45L top case with integrated LED lighting and 39L side panniers. Constructed from high-quality aluminum, these boxes are designed to withstand harsh conditions.

Product Overview

Premium Aluminum Adventure Luggage System

This professional-grade motorcycle luggage system features a 45L top case and 39L side panniers constructed from high-quality 2mm aviation-grade aluminum. Engineered for durability and adventure touring, the top case includes integrated LED water-turn signal lighting for enhanced visibility. The system utilizes universal mounting hardware compatible with a wide range of motorcycles, adventure bikes, and scooters.
