

Motorcycle Brake Pads for YBR125 Libero 125

These motorcycle brake pads are designed for YBR125 and Libero 125 models. They offer reliable stopping power and durability for safe braking performance.

Product Overview

High-Performance Braking Solution

These motorcycle brake pads are engineered specifically for YBR125 and Libero 125 models, delivering reliable stopping power and enhanced durability. Designed to meet or exceed OEM specifications, they ensure a direct fit and straightforward installation for maintenance professionals and riders alike. The construction focuses on minimizing brake fade and noise while maximizing rotor longevity, making them suitable for both daily commuting and demanding riding conditions.

Compatibility

Compatible Models	YBR125, Libero 125
-------------------	--------------------

Performance Features

Key Benefits

- Reliable stopping power
- OEM specification compliance
- Reduced brake fade
- Low-noise operation
- Extended rotor life

Ideal Usage

Daily Commuting • Demanding Riding
