

Motorcycle Front Shock Absorber

This front shock absorber is designed for CD500 motorcycles. It provides superior damping and control for a smooth and comfortable ride.

Overview

High-Performance Damping Solution

This front shock absorber is precision-engineered for CD500 motorcycles, delivering superior damping and control for a smooth, comfortable ride. Built with durable, high-quality materials, it ensures long-lasting reliability and stability across various riding conditions. Its design prioritizes easy installation and precise fitment, effectively enhancing overall motorcycle handling, performance, and rider safety.

Compatibility

Compatible Motorcycles	CD500
