

Motorcycle Fuel Tank with Blue-Gray Finish

This motorcycle fuel tank is designed to hold fuel for motorcycle engines. It has a blue-gray finish and includes a fuel filler cap.

Product Overview

Vintage Motorcycle Fuel Tank

This motorcycle fuel tank features a distinctive blue-gray finish complemented by a striking red graphic on the side. Designed with standard mounting points for frame attachment and a top-loading filler cap, it serves as a robust replacement or restoration component. Its classic aesthetic makes it an ideal selection for vintage or classic motorcycle projects.
