

Motorcycle Seat Cover, 60cm, Leather, Waterproof Cushion

This 60cm motorcycle seat cover is made from soft leather and provides a comfortable cushion. The waterproof design protects the seat from rain and moisture.

ADDITIONAL IMAGES

Product Overview

Designed to protect the original seat from daily wear and tear.

Premium Motorcycle Seating Comfort

This WP02 universal motorcycle seat cover provides an essential upgrade for rider comfort and seat protection. Crafted from soft, high-quality leather, it acts as a durable cushion that shields your original seat from wear, tear, and weather elements. Its waterproof design ensures longevity even in rainy conditions, making it a reliable accessory for daily commuters and long-distance riders alike.
