

Motorcycle Weather Protection Umbrella

This is a portable umbrella designed for motorcycle riders. It offers protection from both rain and sun while riding.

Product Overview

All-Weather Protection

This durable weather protection umbrella is designed specifically for motorcycles and electric scooters, offering essential coverage against rain and harsh sunlight. Its compact, foldable design ensures it can be easily stored and transported when not in use. Featuring a protective, high-visibility sleeve with a convenient carrying strap, this accessory is an ideal addition for commuters seeking comfort and weather resilience on the road.
