

# Motorized TV Mount with Remote Control

This motorized TV mount is made from high gauge cold rolled steel and includes an integrated bubble level. It comes with an IR remote control, tool-free tilt adjustment, a safety lock, and a universal hardware pack.

## Product Overview

### Motorized TV Mount with Remote Control

This motorized TV mount offers a seamless viewing experience with convenient remote-controlled adjustments for tilt and swivel. Constructed from high-gauge cold-rolled steel, it ensures durability and stability for flat-panel TVs ranging from 14 to 37 inches. The inclusion of an integrated bubble level and a universal hardware pack simplifies the installation process, making it an ideal solution for professional home or office setups.
