

Motorized TV Mount with Remote Control

This motorized mount provides automated positioning of flat-panel displays. It features remote-controlled adjustment for optimal viewing angles with secure and reliable installation.

Overview

Automated Viewing Experience

This motorized TV mount offers a seamless and automated solution for positioning flat-panel displays. Featuring IR remote control capabilities, it allows for precise tilt adjustments to ensure optimal viewing angles in any setting. Constructed from high-gauge cold-rolled steel, the mount provides a secure and reliable installation for screens ranging from 37 to 55 inches.
