

MT-200 150cc/200cc Motorcycle

The MT-200 motorcycle is available with either a 150cc or 200cc air-cooled engine. It features disc brakes and electric/kick starting.

Overview

MT-200 Series Overview

The MT-200 is a versatile motorcycle platform available in both 150cc and 200cc configurations, designed for a balance of performance and efficiency. Featuring a reliable air-cooled, single-cylinder four-stroke engine, this model is built for urban commuting and recreational use. It incorporates essential features such as dual-disc braking, electric and kick-start options, and a durable chassis, making it a dependable choice for diverse riding needs.
