

# Multi-Attachment Food Processor with Juicer, Blender, and Grinder

This versatile food processor is designed for a variety of kitchen tasks. It features a juicer, blender, and grinder, all powered by a single motor unit with multiple speed settings.

## Overview

### Versatile 4-in-1 Kitchen Solution

This multi-attachment food processor is designed to streamline kitchen tasks by combining a juicer, blender, and grinder into a single, efficient motor unit. Built with high-quality, food-grade materials, it ensures both safety and durability for professional or home use. Its compact design allows for easy countertop placement while offering precise control through multiple speed settings.

## Technical Specifications

Power Rating	450 W
Functionality	Juicer, Blender, Grinder, Food Processor
Speed Control	Multiple speed settings via front panel switches

## Materials & Safety

### Material Quality

Food-grade materials • Durable construction

## Design

### Design Features

- Compact footprint
- Detachable parts for easy cleaning
- Single motor unit design
