

Multi-Bike Storage Rack

This durable and space-efficient bicycle rack is designed to securely hold multiple bikes. Constructed from robust tubular steel with a corrosion-resistant finish, this rack provides stable support and prevents bikes from tipping over.

Product Overview

Versatile Multi-Bike Storage Solution

This durable and space-efficient bicycle rack is engineered to securely hold multiple bikes, making it an ideal choice for high-traffic areas such as schools, parks, apartment complexes, and commercial buildings. Constructed from robust tubular steel with a corrosion-resistant finish, it provides stable, long-lasting support that prevents bikes from tipping over. Its modular design allows for easy expansion and customization, ensuring it can adapt to your specific space requirements while promoting organized parking and reducing clutter.

Technical Specifications

Material	Robust tubular steel
Finish	Corrosion-resistant
Design Features	Modular, Expandable, Stable, Space-efficient

Usage & Application

Recommended Environments

- Schools
- Public Parks
- Apartment Complexes
- Commercial Buildings
