

Multi-Blade Electric Fan for Home or Office

This electric fan is designed for efficient air circulation and ventilation. It features a multi-blade design for optimal airflow and is suitable for home or office use.

Overview

High-Performance Air Circulation

This multi-blade electric fan is engineered for efficient air circulation and ventilation in both home and office environments. Its robust construction ensures durability, while the sleek black finish with chrome-accented fan guard provides a professional aesthetic. Designed for optimal airflow, it features a user-friendly operation to keep spaces cool and comfortable.
