Product Overview

Industrial Multi-Compartment Water Transfer Tank

This stainless steel multi-compartment water transfer tank is engineered specifically for demanding industrial printing applications. Featuring a robust, reinforced construction and a smooth interior finish, it ensures consistent water distribution while preventing material contamination. The modular design allows for seamless integration into existing production workflows, supported by flexible mobility options and precise drainage systems.

Technical Specifications

Available Size Configurations

Option	Outer Dimensions (m)	Inner Dimensions (m)
1	1.6 x 0.7 x 0.8	1.2 x 0.6 x 0.7
2	1.6 x 0.9 x 0.8	1.2 x 0.8 x 0.7
3	2.0 x 0.9 x 0.8	1.6 x 0.8 x 0.7
4	2.5 x 1.0 x 0.8	2.0 x 0.9 x 0.7
5	2.8 x 1.2 x 0.8	2.4 x 1.1 x 0.7

Material

Stainless Steel, Industrial Grade

Design Features

Standard Features

- Multi-compartment design
- Reinforced edges
- Perforated ventilation panel
- Integrated drainage system
- Flexible plumbing hoses

Mobility & Positioning

Caster Wheels • Adjustable Leveling Feet
