

Multi-Door Refrigerator

This refrigerator features a multi-door design, providing easy access to various compartments and shelves. It offers efficient cooling and ample storage space for diverse food items.

Overview

High-Efficiency Multi-Door Refrigeration

This professional-grade multi-door refrigerator offers versatile storage solutions for demanding environments. Engineered for energy efficiency, it maintains a Tier 1 energy rating while providing reliable temperature control. With its sleek design and optimized interior layout, it serves as a robust solution for cooling and freezing needs.

Technical Specifications

Energy Efficiency Rating

Tier 1

Model Number	MBU-283SC
Rated Voltage	AC 220V/60Hz
Monthly Power Consumption	13.8 kWh/month
Refrigerant Charge	100 g
Manufacturing Origin	China

Dimensions and Weight

Dimensions (W x D x H)	600 x 720 x 1850
Product Weight	84 kg
