

Multi-Door Refrigerator with Floral Design

This refrigerator features a multi-door design with a glossy finish and floral accents. It provides efficient cooling and ample storage with a top freezer, middle compartment, and bottom refrigerator section.

Product Overview

A Fusion of Art and Functionality

This multi-door refrigerator features a striking floral design on a glossy red finish, making it a sophisticated centerpiece for any modern kitchen. Engineered for versatility, it includes a dedicated top freezer, middle compartment, and bottom refrigerator section to optimize food organization. Its clean lines and vibrant aesthetics combine professional-grade cooling performance with high-end visual appeal.
