

# Multi-Fin Oil-Filled Space Heater

This oil-filled radiator provides efficient and consistent space heating. Its multiple fins increase the surface area, optimizing heat dissipation.

## Overview

### Efficient Heating Performance

This oil-filled space heater is engineered for consistent and reliable warmth, featuring a large heating surface area optimized for efficient heat dissipation. With a versatile design ranging from 5 to 15 fins, it caters to various room sizes and heating requirements. Equipped with essential safety mechanisms and user-friendly controls, it provides a safe and customizable heating solution for professional and residential environments.

## Performance

### Heating Power Range

**1000 W**

Minimum Power

**2500 W**

Maximum Power

### Power Settings

3 levels

## Design

### Convenience

- Adjustable thermostat
- Integrated cord storage

### Fin Configuration

5 to 15 fins

## Safety & Features

### Safety Features

Thermal cut-off, Overheat protection, Tip over switch
