

Multi-Purpose Lubricant Spray for Industrial and Automotive Use

This multi-purpose spray is suitable for both industrial and automotive applications. It is designed to penetrate, lubricate, loosen seized parts, and protect against rust and corrosion.

Product Overview

Versatile Multi-Purpose Lubricant

This all-purpose multi-spray is engineered for demanding industrial and automotive applications. It provides comprehensive maintenance by penetrating, lubricating, and protecting surfaces against rust and corrosion. Designed to solve common mechanical issues, it effectively removes moisture, stops squeaks, and loosens seized or sticking components.
