Product Overview

Professional Multi-Purpose Shears

These heavy-duty multi-purpose scissors are engineered with high-quality stainless steel blades, featuring ultra-fine polishing for superior abrasive resistance and long-lasting sharpness. Designed for efficiency, the ergonomic PP handle provides a comfortable, non-slip grip, reducing fatigue during extended use. With integrated safety features like a locking clip, these shears are an essential, reliable tool for precision gardening, trimming, and general cutting tasks.

Technical Specifications

Blade Material	Stainless Steel
Blade Thickness	3 mm
Hardness Rating	HRC 53-58
Blade Length	55 mm
Overall Length	190 mm
Handle Height	45 mm

Features

Key Features

- Ergonomic PP handle with non-slip grip
- Safety open/close clip for secure storage
- Jagged, anti-slip blade design
- High clamping force with strong external tension
- Long reach for precision trimming
