

Multi-Socket Power Strip with USB Charging Ports

This power strip expands power outlet availability. It features multiple Schuko sockets for connecting European plugs, along with USB ports for charging mobile devices.

Product Overview

Versatile Power Solution

This multi-socket power strip is designed to enhance connectivity in home and office environments. It combines standard AC power outlets with integrated USB charging ports to support a variety of devices simultaneously. Featuring a compact form factor, it provides a safe and efficient way to manage your electrical needs while protecting your electronics.

Electrical Specifications

Rated Power Capacity

3600 W

Maximum Load

230 V

Voltage

16 A

Rated Current

USB Charging Output

5 V

Voltage

2.4 A

Current

Physical Dimensions

Product Specifications

Attribute	Value
Weight	254g
Main Dimensions	16.08 x 9.48 x 4 cm
Packaging Size	16.8 x 8.4 x 10.2 cm

Safety and Features

Built-in Protections

Surge Protection, Overload Protection
