

Multi-Speed City Bicycle with Fenders and Rack

This bicycle is equipped with front and rear fenders, a rear rack, and a front headlight. It features multi-speed gears and durable tires for urban and recreational riding.

Overview

Urban Versatility

This multi-speed city bicycle is engineered for reliable urban commuting and recreational riding. Featuring a sturdy, durable frame, it is equipped with integrated front and rear fenders to protect the rider from splashes and a rear rack for convenient cargo transport. With a dedicated front headlight for enhanced visibility and multi-speed gearing, it offers a comfortable and practical solution for navigating varied city terrains.
