

Multi-Tool Shovel with Integrated Saw and Measuring Scale

This multi-function shovel features a durable metal blade with integrated saw, bottle opener, and nail puller. The wooden handle is marked with a measuring scale for added utility.

Product Overview

Versatile Multi-Tool Shovel

This multi-functional shovel is an essential tool for outdoor enthusiasts, campers, and gardeners. Engineered with a durable 50Mn carbon steel head and a robust ash wood handle, it combines strength with practicality. Featuring integrated tools such as a saw, bottle opener, and nail puller, along with a precision measuring scale on the handle, this tool is designed to handle a variety of tasks in one compact package.
