

Multifunction LED Spotlight

This versatile spotlight is designed for both industrial and outdoor use. It features a high-intensity LED array, a robust handle, and a rechargeable battery for extended operation.

Product Overview

Versatile Multifunction Spotlight

This multifunction spotlight is engineered for demanding industrial and outdoor environments. Featuring a robust design with multiple lighting modes, it provides high-intensity illumination alongside specialized SMD and red warning lights. With a rechargeable battery and power bank functionality, it serves as a reliable tool for professionals requiring both visibility and portable power.

Lighting Performance

Brightness Levels

600 LM

Main Spotlight

80 LM

SMD Light

Light Sources

CREE XML2-U3, 12PCS SMD, 20PCS RED LED

Power & Battery

Power Input/Output

Function	Voltage	Current
Input	DC 5V	1A
Output	DC 5V	1.5A

Battery Capacity

3600 MAH

Battery Type

2x18650 Li-on battery (3.7V)

Charging Time

6 Hrs

Operational Runtime

Runtime by Mode

- Main Spotlight: 2 Hrs
- SMD Light: 5 Hrs
- Warning Light: 48 Hrs

Physical Specifications

Weight

720 g
