

Multifunction Rechargeable Lantern with AM/FM Radio and Cassette Player

This rechargeable multifunction lantern features dual fluorescent tubes for illumination, an AM/FM radio, and a cassette player. It also includes a siren and automatic light-up function during power outages.

Product Overview

Versatile Emergency and Leisure Companion

This multifunction rechargeable lantern serves as a comprehensive tool for both emergency preparedness and leisure. It combines powerful fluorescent illumination with an integrated AM/FM radio and cassette player, offering essential utility during power failures. Designed for portability, the unit features an automatic light-up function that activates immediately when the power supply is lost.
