

Multifunctional Electric Grill and Hot Pot

This multifunctional electric grill and hot pot features a non-stick surface for easy cleaning and temperature control. It includes a transparent lid for monitoring cooking progress and separate cooking zones for grilling and stewing simultaneously.

Product Overview

Versatile Cooking Solution

This multifunctional electric appliance combines grilling and hot pot capabilities into one convenient unit. Designed for versatility, it features separate cooking zones that allow for simultaneous grilling and stewing. The non-stick surface ensures easy cleaning, while the transparent lid allows for precise monitoring of your culinary creations.
