

Multifunctional Electric Stand Mixer with Blender

This stand mixer is a versatile appliance for mixing, kneading, and blending. It features a 5L plastic bowl, a 1.5L glass blender jar, and includes a scale for precise measurements.

Product Overview

Versatile Culinary Performance

This multifunctional stand mixer is engineered to handle a wide range of kitchen tasks, from kneading dough to high-speed blending. Equipped with a robust motor and multiple attachments, it offers precision control via variable speed settings. The design integrates a 5L mixing bowl and a 1.5L glass blender, providing a comprehensive solution for diverse culinary requirements.
