

# Multifunctional Garden Power Tool

This multifunctional garden tool is designed for various landscaping and maintenance tasks. Its modular design accommodates different tool heads like a pole saw, hedge trimmer, and brush cutter.

## Product Overview

### Versatile Garden Maintenance

The Multifunctional Garden Power Tool is designed for a variety of landscaping and maintenance tasks, offering a robust engine for cutting, trimming, and pruning. Its modular design supports multiple attachments, including pole saws and hedge trimmers, providing flexibility for different gardening needs. Engineered for both professional and residential applications, it features an extended reach capability and a comfortable harness to reduce user fatigue during extended operation.

## Engine Specifications

### Maximum Power

**700 W**

Max Energy Power

Engine Displacement	25.4 cc
Ignition System	C.D.I
Fuel Mixture Ratio	25:1

## Physical Dimensions

Pole Diameter	24 mm
Pole Length	1800 mm
Total Weight	11.5 kg

## Safety & Features

Safety Equipment	Throttle Lock, Blade Guard, Comfort Harness
