

Multigrade Diesel Engine Oil

This multigrade diesel engine oil is suitable for the latest turbocharged high-power diesel engines, heavy-duty commercial vehicles, and large and medium-sized luxury diesel buses. It meets the emission requirements of European VI (National VI) and the requirements of ACEA e7-08, API ci-4, Volvo VDS-3, Mack eo-n, Mack eo-m plus, cat ecf-2, MB approval 228.3, man m3275ccummins ces20076.

Product Overview

High-Performance Diesel Engine Oil

This high-performance diesel engine oil is engineered to meet global standards, utilizing advanced energy-saving OCP additives and oil pressure management technology. It is designed to instantly improve oil pressure and rapidly increase engine power, ensuring reliability under heavy loads and challenging road conditions. The formulation maintains stable oil pressure for long-distance driving and steep terrain.

Technical Specifications

API Specification

CI-4

Available Viscosity Grades

15W/40, 20W/50

Packaging & Availability

Container Sizes

- 4 Liters
- 18 Liters

Performance Metrics

Key Benefits

1 High

Oil Pressure Stability

1 Rapid

Power Response
