

Natural Slate Mosaic Tile Sheet

Natural slate mosaic tile sheets blend browns, grays, and rust. Various rectangular and square tile sizes are arranged in an irregular layout and mounted on mesh.

Product Overview

Natural Slate Mosaic Tile Sheet

This natural slate mosaic tile sheet features a sophisticated blend of earthy tones, including rich browns, grays, and rust, to create a warm, organic aesthetic. The design utilizes an irregular layout of various rectangular and square tile sizes, perfect for adding texture and character to any space. Mounted on a convenient mesh backing, these tiles are designed for efficient installation in both residential and commercial interior design projects.
