

Natural Wood Bathing and Beauty Set

This set contains natural wood bathing and beauty products. It includes a hairbrush, massage brush, face brush, and a wooden roller.

Product Overview

Natural Beauty & Relaxation

This comprehensive bathing and beauty set is crafted from high-quality natural wood, designed to promote personal care and relaxation. The collection includes essential tools for hair and skin maintenance, all organized within a convenient, slotted wooden crate. It is an ideal solution for those seeking sustainable and aesthetic personal care accessories.
