

Non-Stick Saucepan with Glass Lid

This durable saucepan is suitable for various cooking tasks. It features a non-stick interior and includes a glass lid.

Product Overview

Professional Non-Stick Saucepan

This versatile saucepan is engineered for efficiency and durability in a professional kitchen environment. Its premium non-stick interior ensures seamless food release and simplifies cleanup, while the heat-resistant handle provides comfortable, secure handling. Complete with a transparent glass lid, it offers precise control for monitoring cooking progress across a wide range of stovetops.
