

Novelty Bicycle Bell with Goofy Design

This bicycle bell features a vibrant yellow dome with a graphic of Goofy in a Native American headdress. It easily attaches to bicycle handlebars, providing a clear signal for cyclists.

Product Overview

Fun and Functional Cycling Accessory

This novelty bicycle bell combines playful aesthetics with reliable functionality, making it an excellent choice for casual cyclists and children's bikes. Featuring a vibrant, high-quality graphic design, it adds a touch of personality to any handlebar. The bell is engineered for easy installation and delivers a clear, audible signal to ensure safety while riding.
