

Nylon Head Kitchen Utensil Set

This kitchen utensil set includes essential tools with stainless steel handles and black nylon heads. It features a skimmer, spatula, slotted turner, solid spoon, slotted spoon, and potato masher, each designed with hanging loops for easy storage.

Product Overview

Versatile Kitchen Utility

This professional-grade kitchen utensil set combines sleek stainless steel handles with heat-resistant nylon heads, ensuring both durability and delicate care for your non-stick cookware. The set provides a comprehensive range of tools suitable for a variety of culinary tasks, from straining and mashing to lifting and stirring. Designed with efficiency in mind, each piece features an integrated hanging loop for streamlined kitchen organization.
