

Obsidian Car Charm with Tassel

This elegant car hanging ornament is crafted from polished obsidian beads. It features a traditional tassel and intricate charm details, adding a touch of sophistication to any vehicle.

Product Overview

Elegant Obsidian Car Ornament

This handcrafted car hanging ornament is meticulously assembled using genuine obsidian beads and traditional Chinese knotting techniques. Designed to enhance the interior aesthetic of any vehicle, it brings a touch of sophistication and tranquility to your driving environment. The combination of polished stones and a classic tassel creates a balanced, elegant accessory suitable for diverse automotive interiors.
