

Off-Road Motorcycle Tire

This motorcycle tire is designed for off-road use. It features a knobby tread pattern for superior traction and is constructed with durable rubber compounds for long-lasting performance.

Product Overview

High-Performance Off-Road Traction

This high-performance motorcycle tire is engineered specifically for challenging off-road environments. Featuring an aggressive knobby tread pattern, it delivers superior traction on loose surfaces like dirt, mud, and gravel. Constructed with durable, high-grade rubber compounds, this tire is built to withstand harsh riding conditions while ensuring long-lasting performance for motocross and dirt bike applications.
