## Product Overview

### Heavy-Duty Off-The-Road Performance

This E-3/L-3 Off-The-Road (OTR) tire is engineered for demanding industrial, construction, and mining environments. Designed for all-position wheel fitment, it features a robust tread pattern optimized for traction and durability on mixed pavement. Built to handle heavy loads, this tire offers superior resistance to cuts and punctures, ensuring reliable performance and an extended service life in challenging terrains.

## Technical Specifications

Model Type	E-3/L-3
Tire Category	OTR (Off-The-Road)
Application Position	All position wheel
Suitable Road Surface	Mixed pavement

## Certifications

Quality Standards	ISO 9001:2000, CCC, DOT, GCC, SNI, ISO, SGS, CE
