

Oil-Filled Radiator Heater with Adjustable Thermostat

This oil-filled radiator provides efficient heat distribution with multiple fins. It has an adjustable thermostat and multiple power settings.

Product Overview

Efficient Heating Solutions

This oil-filled radiator heater offers a reliable and efficient heating solution for indoor environments. Engineered with a triple overheat protection system and pressure-tested components, it ensures safety and consistent performance. With multiple heat settings, an adjustable thermostat, and a 24-hour timer, this unit provides customizable comfort and energy-efficient operation.

Technical Specifications

Voltage/Frequency	220-240V, 50/60Hz
Fin Size	160*600MM
Heat Settings	3
Certifications	GS, CE, EMC, ROHS

Features & Usability

Key Features

- Adjustable thermostat control
- Triple overheat protection system
- 24-hour programmable timer
- Indicator lights for operation
- Smooth castors for mobility
- Integrated cord storage
- Easy-to-clean design

Logistics & Capacity

Shipping & Packaging Data

Model	Net Weight	Gross Weight	Dimensions (cm)
7 Fins	9.5kg	10.5kg	35×17×66
9 Fins	11.8kg	12.9kg	43×17×66
11 Fins	14.1kg	15.4kg	51×17×66
13 Fins	16.2kg	17.5kg	59×17×66
