

# Oil-Filled Radiator Heater with Adjustable Thermostat

This oil-filled radiator provides consistent warmth for indoor spaces. It has an adjustable thermostat and multiple heat settings.

## Overview

### Efficient Space Heating Solution

This oil-filled radiator provides reliable and efficient heating for indoor environments, featuring a large heating surface for rapid heat dissipation. Equipped with an adjustable thermostat, triple overheat protection, and a 24-hour timer, it ensures both comfort and safety for the user. Designed for convenience, the unit includes smooth castors for easy mobility and integrated cord storage.

## Technical Specifications

|                 |                   |
|-----------------|-------------------|
| Power Supply    | 220-240V, 50/60Hz |
| Heat Settings   | 3                 |
| Turbo Fan Power | 400 W             |
| Fin Size        | 160*600mm         |

## Certifications

|                  |                   |
|------------------|-------------------|
| Safety Approvals | GS, CE, EMC, ROHS |
|------------------|-------------------|

## Features

### Key Features

- Adjustable thermostat control
- Triple overheat protection system
- Pressure tested for safety
- 24-hour timer
- Smooth castors for mobility
- Integrated cord storage

## Logistics
