

# Oil-Filled Radiator Heater with Adjustable Thermostat

This oil-filled radiator provides radiant heat for indoor use. It features an adjustable thermostat, multiple heat settings, and overheat protection for safety.

## Product Overview

### Efficient Heating Solution

This oil-filled radiator heater is designed for reliable and efficient indoor heating. Featuring multiple fins for a large heating surface, it provides rapid radiant heat distribution. Built with safety in mind, the unit includes triple overheat protection and pressure testing, making it a dependable choice for various room environments.

## Technical Specifications

Voltage/Frequency	220-240V, 50/60Hz
Fin Size	160 x 600 mm
Heat Settings	3
Certifications	GS, CE, EMC, ROHS

## Key Features

### Safety Features

- Triple overheat protection system
- Pressure tested for safety
- Operation switches with indicator lights

### Usability

- Adjustable thermostat control
- Smooth castors for easy movement
- Built-in cord storage
- Easy to clean

## Logistics & Packaging

### Shipping & Dimensions

Fins	N.W (kg)	G.W (kg)	Dimensions (cm)
7	9.4	10.4	35x17x66
9	11.7	12.8	43x17x66
