

Oil-Filled Radiator Heater

This oil-filled radiator provides consistent heating for any room. It features multiple heat settings and an adjustable thermostat for customized comfort.

Overview

Efficient Heating Solutions

This oil-filled radiator heater provides consistent, energy-efficient warmth for any indoor space. Engineered for safety and convenience, it features a triple overheat protection system, adjustable thermostat control, and a 24-hour timer to customize your heating schedule. With its smooth-rolling castors and integrated cord storage, this heater is designed for easy mobility and clean, unobtrusive operation.

Technical Specifications

Power Input

220 V

Voltage

50 Hz

Frequency

Compliance & Approvals

GS, CE, EMC, ROHS

Fin Dimensions

150 x 580 mm

Features

Core Features

- 3 heat settings
- Adjustable thermostat control
- Triple overheat protection system
- 24-hour timer
- Pressure tested for safety
- Indicator lights
- Smooth castors for mobility
- Integrated cord storage
