

Oil-Filled Space Heater

This oil-filled radiator provides efficient and silent space heating. It features multiple heat settings controlled by a rotary dial and switches, allowing for customized comfort levels.

Overview

Efficient Oil-Filled Heating Solution

This oil-filled space heater is designed for reliable, silent, and energy-efficient room heating. Featuring a large surface area for rapid heat radiation, it offers three distinct heat settings and an adjustable thermostat to maintain consistent comfort. Built with safety in mind, the unit includes a triple overheat protection system and has been pressure-tested to ensure long-term durability and performance.

Technical Specifications

Key Features

- 3 heat settings
- Adjustable thermostat control
- Triple overheat protection system
- Pressure tested for safety
- Smooth castors for mobility
- Integrated cord storage

Power Supply	220-240V, 50/60Hz
Fin Size	160*600MM
Certifications	GS, CE, EMC, ROHS
