

Oil-Filled Space Heater Radiator

This oil-filled radiator provides efficient and consistent space heating. It features adjustable thermostat control and multiple heat settings for customized comfort.

Overview

Efficient Space Heating Solution

This oil-filled space heater radiator provides reliable and efficient warmth for residential or office environments. Designed with safety and convenience in mind, it features adjustable thermostat controls, a triple overheat protection system, and a 24-hour timer for customized comfort. With its integrated turbo fan and large heating surface, this unit ensures rapid heat radiation and consistent temperature maintenance.

Technical Specifications

Turbo Fan Power

400 W

Turbo Fan

Voltage & Frequency	220-240V, 50/60Hz
Heat Settings	3
Certifications	GS, CE, EMC, ROHS

Features

Safety Features

Triple Overheat Protection • Pressure Tested • Indicator Lights

Convenience Features

- 24-hour timer
- Smooth castors for mobility
- Integrated cord storage
- Easy to clean design
- Adjustable thermostat
