Product Overview

Efficient and Safe Heating Solution

This oil-filled radiator provides reliable and efficient heating for residential and commercial spaces. Engineered for safety, it includes a triple overheat protection system and has been pressure tested to ensure durability. With features like adjustable thermostat control, a 24-hour timer, and smooth castors for easy mobility, it offers a convenient and user-friendly heating experience.

Technical Specifications

Electrical Requirements	220-240V, 50/60Hz
Fin Size	150mm x 580mm
Compliance & Approvals	GS, CE, EMS, ROHS

Key Features

Core Features

- 3 heat settings
- Adjustable thermostat control
- Triple overheat protection system
- 24-hour timer
- Integrated cord storage
- Smooth castors for mobility
- Pressure tested for safety
