

# Oil-Filled Space Heater Radiator

This portable oil-filled radiator is designed for space heating. It features multiple heat settings, adjustable thermostat control, and a triple overheat protection system.

## Overview

### Efficient Heating Solution

This oil-filled radiator provides reliable and efficient space heating for home or office environments. Engineered for safety and performance, it features multiple heat settings, adjustable thermostat control, and a triple overheat protection system. With its large heating surface and fast heat radiation, it ensures consistent warmth, while smooth-rolling castors allow for easy mobility.

## Technical Specifications

Voltage	230 V
Frequency	50/60Hz
Fin Size	160*600MM

## Features

### Key Features

- 3 heat settings
- Adjustable thermostat control
- Triple overheat protection system
- Operation switches with indicator lights
- Pressure tested for safety
- Smooth castors for easy movement
- Integrated cord storage

### Certifications

GS, CE, EMC, ROHS

## Logistics & Configuration

### Model Specifications & Logistics

Fins	N.W.	G.W.	Dimensions (cm)
7 Fins	9.4kg	10.4kg	35x17x66
9 Fins	11.7kg	12.8kg	43x17x66
11 Fins	14.0kg	15.3kg	51x17x66
13 Fins	16.1kg	17.4kg	59x17x66
